

Sea turtles and crabs, why not?? Each summer and fall sea turtles migrate along the coast of New England looking for food. Our sea turtles loved the crabs we caught in 2020 and are looking for some more sponsors in 2022. Let's go crabbing!

The 2022 Specialty Committee would like to celebrate our dog and handler teams participating in any of the following events: WC/WCX, Obedience, Rally, Agility, Conformation or Sweepstakes. Each team will receive a crab or a sea turtle dog toy unique to every event. We are hoping you can help us to acknowledge participation in these events by helping us fill a crate full of toys! Sponsors will be acknowledged at each event. Thank you!

If you are interested in helping us catch these crustaceans at 3.50 each, please fill out the following form and mail your donation to:

Kim Kezer
